#### Film History Internet Research Assignment

As we move from the 1930s and into the 40s and 50s, some key events changed Hollywood and the film industry significantly. Use this period to research the following:

1. The Hays Code
2. *The Hollywood Ten*: 1947 House Un-American Activities Committee (HUAC)
3. Paramount Decision, 1948. Ends vertical integration
4. Television changes Hollywood

Use the time provided during this period to research and report on the above four topics. Be certain to explain each thoroughly and explain how each altered the film industry in a positive or negative manner.

Once you are done, please upload your completed work to your portfolio. This will be your FIRST official mark!
